The L^AT_EX source file of this document constitutes a template for the style and layout of the abstracts to be submitted as contribution to the 20th International Symposium on Spin Physics (SPIN2012), which will be held from September 17 to 22, 2012 in Dubna, Russia.

- **The abstract contribution should have no more than 1 pages.**
- The title of the abstract (in large bold type style) should be followed by the name of all authors (in normal type), and their institutions with complete mailing address (written in small font size).
- Underline the author presenting the talk if there is more than one author. Use superscript small letters to indicate the different affiliations.
- References should be quoted using Arabic numerals between square brackets, like [1], [1,2] or [2-4], and listed (without brackets) at the end of the abstract.

In the following, we illustrate the Table environments.

Table 1: Caption.

Description	Col2	Col3	Col4
dataline 1	12	13	14
dataline 2	22	23	24

Each contribution must be submitted by E-mail a PDF file, mention “abstract” in subject and session in body of mail. Submission by regular mail or fax is not acceptable.

Note that you should first be registered as a participant to the conference with a valid email-address in order to be able to submit your submission.

The deadline for the abstract submission is **July 30, 2012**.

Please contact the organizers at the e-mail address spin2012@theor.jinr.ru if you have problems.
